

### REMARKS

Applicant has amended the specification to insert a substitute Sequence Listing filed herewith, together with the Response to Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures. Applicant has also amended the specification to correct a typographical error. This amendment finds support, for example, in Figure 5A of the application as filed and does not add new matter.

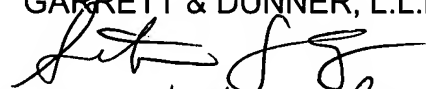

Applicant also files a Supplemental Information Disclosure Statement herewith.

Applicant courteously requests entry of this amendment and the timely examination and allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
